

Crane Operator

Crooker Construction is looking for an experienced candidate with a focus on safety to join the team with the main focus of Crane Operator, but also have other skills in the construction industry. The position will be responsible for dredging materials in the pit, making lifts to assist in maintenance/repairs of aggregate production equipment, concrete batch plant, and hot mix asphalt plant. Also, make lifts on job sites as needed to assist construction crews.

When crane work is not available, the selected candidate will be required to assist with miscellaneous duties as requested by the supervisor. The miscellaneous duties will be based on the candidate's experience in other aspects of the company. Duties could include but are not limited to operating equipment, welding, mechanic work, driving, or other miscellaneous tasks.

The position is based in Topsham and is full-time, year-round.

Requirements:

- A minimum of 2-3 years of operating a crane.
- Class B CDL license required, Class A CDL preferred.
- Must be able to work the necessary schedule, including long days, nights, and/or weekends.
- Previous experience with a heavy construction company is preferred.

Benefits:

Vacation, holidays, Health & Life insurance, dental, vision, 401k, and profit-sharing. Home every night. No overnight travel.
