

## Heavy Equipment Mechanic – Topsham, ME

Crooker Construction is looking for a safety conscious candidate to join the team as a Heavy Equipment Mechanic. The position will be based in the Topsham shop but will travel to our jobsites and other Crooker facilities working to repair and maintain our heavy construction equipment.

The position will be responsible for maintenance, repairs, and general troubleshooting of our heavy construction equipment. Most of the work will be done independently but there are times when Mechanics may be required to work as a team to complete larger or more complex repairs and maintenance projects.

Crooker is looking for candidates who are motivated to be a part of a team and able to support the daily needs of the maintenance shop.

Welding and fabrication skills are a plus. The positions are full-time, year-round roles.

### Requirements:

- Must have a strong attention to detail.
- Must have strong problem solving skills.
- Basic computer skills to run scanning machines.
- Must have good communication skills.
- Must be able to work independently and successfully switch between tasks throughout the day.
- Must be able to work the necessary schedule which may include long days, nights, and/or weekends.
- Valid commercial driver's license class A or B is a plus.
- 2+ years of previous experience with a heavy construction and paving company is preferred.

### Benefits:

Working with a great team! Minimal travel.

Medical and dental insurance on day one, paid time off, paid vacation, paid holidays, company paid life and disability insurance, 401k with company match and profit sharing, tool allowance, boot reimbursement, and more.

### To apply:
