Crooker Construction is looking for a safety conscience candidate with a strong work ethic and eagerness to learn to work at our hot mix asphalt plant as a Plant Utility Person. This position will work as part of a team and will assist with daily duties and maintenance needs to keep the plant operations running smoothly. The position is based in Topsham, ME.

As part of a crew, everyone is responsible for the safe operation and keeping the plant up and running. The primary responsibilities for this role include but are not limited to:

- General maintenance on plant and associated plant equipment, including but not limited to greasing motors, changing screens, replacement of wear parts, changing belts, etc.
- Assist in equipment and motor replacements during breakdowns and routine replacements.
- Light mechanic work on equipment associated with plant.
- General utility work around the plant including but not limited to shoveling, operating small equipment, etc.

This is a full-time, year-round position. During the winter season, additional snow removal duties will be required.

Requirements:

- Must have a strong work ethic and be eager to learn
- Must be able to work at elevated heights without concern
- Must enjoy working in a team environment and be willing to assist other crew members
- Must be willing to work the necessary schedule which may include long hours, nights, and/or weekends
- Must have a valid driver's license. A CDL and/or crane certification would be a plus.

Benefits:

The company is 100% employee owned. All employee-owners have an additional ownership retirement account growing in value each year when more shares are awarded.

Working with a great crew!

Minimal travel. Home every night!

Medical, dental and vision coverage, paid time off, paid vacation, paid holidays, company paid life and disability insurance, 401k with company match, boot reimbursement, and more.
