As the company grows, all employees will watch their ownership accounts grow in value too. Apply today and soon you'll start watching your ownership account grow!

Crooker Construction is looking for a safety-conscious candidate to join the team as an industrial electrician. The position will be based in the Topsham shop but may travel to other Crooker facilities and job sites.

The position will spend most of the time in the Topsham yard performing electrical work outside on a variety of types of crushing equipment and the asphalt plant. The role will also require at times to complete work on various job sites working on the portable crusher system and other equipment and working at our Precast of Maine location working on the concrete batch plant. Most of the work will be done independently but there are times when you may work as a team when assistance is needed to finish a project.

Crooker is looking for candidates who are self-motivated to work alone or be part of a team and able to support daily needs.

The position is a full-time, year-round role.

Requirements:

- Previous construction electrical experience.
- Mater electrician preferred.
- Must have heavy construction experience.
- Must have strong attention to detail.
- Must have strong problem-solving skills.
- Must have good communication skills.
- Must be able to work independently and successfully switch between tasks throughout the day.
- Must be able to work the necessary schedule, including long days, nights, and/or weekends.

Benefits:

The company is 100% employee owned. All employee-owners have an additional ownership retirement account growing in value each year when more shares are awarded.

Working with a great crew! Minimal travel.

Health, dental, and vision coverage, 401k with company match, paid vacation, paid time off, paid holidays, paid life and disability insurance, boot reimbursement, and more!
