

Crusher Foreperson – Topsham, Maine

Crooker Construction and Precast of Maine are proud to be a 100% employee-owned company! As an Employee Stock Ownership Plan (ESOP) company, our employees are owners and share directly in the success they help create. As the company grows, all employees will watch their ownership accounts grow in value too. Apply today and soon you'll start watching your ownership account grow!

The primary focus will be to plan, coordinate, and supervise the entire crushing operation lifecycle in the Topsham yard. Responsibilities will include but not be limited to; working with the team to set and achieve production goals, creating and implementing a preventative maintenance program, and ensure daily operations are aligned with the material needs of internal projects as well as external sale needs.

The selected individual will report to the Aggregate Manager and will work very closely with the quality control team and field operations to understand current and future material needs so inventory levels can be properly managed.

The selected individual must have a strong working knowledge of construction materials, the crushing and screening processes, Mine Safety and Health Administration (MSHA), and the blasting process.

The right candidate must be focused on being safe, have a strong work ethic, and be eager to learn in order to produce a high-quality finished product.

Previous experience working at a crushing/screening facility is required. Previous experience supervising employees is preferred. This is a full time, year-round position.

Requirements:

- Strong organizational and planning skills
- Strong verbal, written, and public speaking communication skills
- Experience working with aggregates or at a crushing and screening facility
- Knowledge of aggregate materials and crushing/screening methods is necessary
- Working knowledge of material gradations
- Must be able to lead a team to stay on task to meet deadlines
- Must have working knowledge of Mine Safety and Health Administration (MSHA) and Maine DEP regulations for pits and quarries
- Must enjoy working in a team environment and be willing to assist other crew members
- Proficient with Microsoft office and similar software programs
- Must be willing to work the necessary schedule which may include long hours, nights, and/or weekends
- Must have a valid driver's license. CDL license is a plus

Benefits:

The company is 100% employee owned. All employee-owners have an additional ownership retirement account growing in value each year when more shares are awarded.

Minimal travel.

Health, dental, and vision coverage, 401k with company match, company paid life and disability insurance, paid time off, paid vacation, paid holidays, boot reimbursement, and more!
