Crooker Construction is looking to hire a dependable, detail-orientated, and organized candidate to join Team Crooker as a Weighmaster to operate the truck scale in the Topsham yard. In this role, the selected candidate will be the lead for all scale duties.

The essential duties and responsibilities for the role include, but may not be limited to:

- Enter the weight of trucks when they are empty and loaded to find the tonnage amount.
- Entering data into the system accurately and efficiently
- Communicate effectively with managers, plant operators, and loader operators to ensure efficient material handling and transfers
- Serve as a backup for answering the main phone line
- Maintain the cleanliness and functionality of the scales by shoveling and sweeping when needed

This position requires a dependable person who can be relied upon to be at work daily, on-time, and be able to work independently. The selected candidate must have strong attention to detail, excellent customer service skills, and strong verbal communication skills.

### **Qualifications and Requirements:**

- Be comfortable using a computer and have a basic knowledge of MS Word, Outlook, Excel, and willing to learn JWS, our scale program.
- Excellent verbal communication, interpersonal, and customer service skills.
- Knowledge of construction is a plus
- Willing to learn basic construction terminology
- Must be willing to obtain weighmaster license by completing basic paperwork
- Willing to work long hours and weekends

### **Benefits:**

The company is 100% employee owned. All employee-owners have an additional ownership retirement account growing in value each year when more shares are awarded.

Health, dental, and vision coverage, 401k with company match, company paid life and disability insurance, paid time off, paid vacation, paid holidays, boot reimbursement, and more!
