Precast of Maine is looking to hire a reliable and safety-focused Boom Truck Driver to join our team. This role is critical for the timely and safe delivery of precast concrete products to job sites. The ideal candidate must be a skilled CDL Class A Operator with crane operation certification, strong safety discipline, and the ability to handle large, heavy lifts in varied site conditions.

The position is based in Topsham and is a full-time and year-round role. The budget base pay for this position ranges from \$25.00 to \$30.00 and will vary depending on how well an applicant's skills and experience align with the job description.

Job Duties include but are not limited to:

- Operate a boom truck mounted crane to lift, swing, and place precast units with precision, ensuring they are secure and stable.
- Work closely with dispatchers, rigging crews, and site supervisors to ensure smooth delivery and installation.
- Select and secure appropriate slings, shackles, hooks, and tag lines for precast units and other materials.
- Perform vehicle inspections and maintain DOT compliance.
- Assist with yard operations, loading, and product handling when not making deliveries.
- Read and apply load charts, assess site conditions (ground bearing capacity, overhead obstructions, powerlines), and create lift plans.

Requirements:

- Valid CDL Class A license and proficiency in operating a boom truck with the ability to handle heavy loads and complex lifts
- Clean driving record
- Understanding of load charts, crane capacity factors, and safe lifting practices
- Clear verbal and radio communication with crew and signal persons
- Ability to work outdoors in varying weather conditions
- Ability to safely navigate active construction sites
- Ability to pass DOT physical and drug screening
- Construction, precast concrete, or building materials delivery experience is preferred.
- Excellent attendance and reliability
