Crooker Construction is looking for a safety conscious candidate to join the team as a **Diesel Truck Mechanic**. The position will be based in the Topsham shop but traveling to other Crooker facilities and job sites may occur on occasion.

The position will be responsible for maintenance, repairs, and general troubleshooting of our diesel trucks and pickup trucks. Most of the work will be done independently but there are times when Mechanics may be required to work as a team to complete larger or more complex repairs and maintenance projects.

Crooker is looking for candidates who are motivated to be a part of a team and able to support the daily needs of the maintenance shop. Welding and fabrication skills are a plus.

The position is full-time, year-round. The budget base pay for this position ranges from \$22.00 to \$32.00 and will vary depending on how well an applicant's skills and experience align with the job description.

Requirements:

- Must have a strong attention to detail.
- Must have strong problem-solving skills.
- Basic computer skills to run diagnostic tools.
- Must have good communication skills.
- Must be able to work independently and successfully switch between tasks throughout the day.
- Must be able to work the necessary schedule which may include long days, nights, and/or weekends.
- Must have a valid Driver's license. Class A or B is preferred.
- Previous experience with a heavy construction and paving company is preferred.

Benefits:

The company is 100% employee owned! All employee-owners have an additional ownership retirement account growing in value each year when more shares are awarded. Working with a great crew! Minimal travel. Health, dental, and vision coverage, paid time off, paid vacation, paid holidays, company paid life and disability insurance, 401K with company match, boot reimbursement, and more!
