Crooker Construction is looking to hire a safety-focused Pipe Layer to join the team. The Pipe Layer will work together with the foreman to ensure efficient and quality work relating to excavation for and installation of storm drain systems, water systems, and sewer systems. Work sites will include new construction projects, upgrading existing systems, and repairing breaks to systems.

The responsibilities of the Pipe Layer will include, but not be limited to reading grade, manual labor, installing pipe, and communicating with other crew members.

This is a full-time, year-round position and the budget base pay ranges from $25.00 to $30.00 and will vary depending on how well the applicant's skills and experience align with the job description.

Requirements for all candidates:

- Previous pipe laying or underground utility construction experience preferred.
- Knowledge of underground water, sewer, and drainage systems.
- Familiarity with grades, elevations, and pipe alignment
- Knowledge of proper trench safety and excavation practices.
- Ability to work outdoors in varying weather conditions.
- Strong work ethic and commitment to safety.
- Must have a valid driver's license. A CDL license would be a plus.

Benefits:

The company is 100% employee owned. All employee-owners have an additional ownership retirement account growing in value each year when more shares are awarded. Health, dental, and vision coverage, paid time off, paid vacation, paid holidays, company-paid life and disability insurance, 401k with company match, boot reimbursement, and more!
